Revelation 10:1-11

1. In the midst of (Woes) sorrow God is actively fulfilling his promises.

2. There is still greater revelation from God yet to be revealed.

3. God has declared to us that He shall bring all things to a conclusion in judgment.

4. God has declared to us that His mystery shall be fully known.

Application

1. We should reject the temptation to despair because our Lord has not abandoned us.

2. We should embrace God's word which sustains us because in it we find His joy, our strength.

3. We should turn our focus away from the bitterness we see to the mission of God which He has bestowed upon us.
