

## Revelation 2:1-7

The Lord is aware of the condition of His church both Good and Bad.

The Lord exhorts Ephesus for opposing false doctrine while defending and upholding truth.

Jesus rebukes Ephesus for leaving their first love an allusion to Himself, Putting other things before Him.

Jesus does not condemn His Church but commands her to repent.

1. We should be encouraged that our Lord is among us.
2. We are to remind ourselves that Jesus knows what we have done for Him.
3. We must strive to keep our loyalty to Jesus above everything else.
