

## “The Beginning of Jacob’s Trouble”

Revelation 6:1-17

1. The Lamb has dominion over the seals
2. The Seals describe the time of Jacob’s Trouble
3. The Seals describe the order of coming world events
4. The seals identify the opposition to God’s throne led by the one who opposes the Lamb.

### Application:

1. We should be encouraged that God has not kept the time of Jacob’s trouble from us but has declared the end from the beginning.
2. We should give thanks to our Lord who has come to give us peace, abundance and life in contrast to the one who brings war, famine and death.
3. We should humble ourselves with fear and trembling before our Lord who is able to humble and lay low all who oppose Him by the power of His word.
